集團積極在公司內推動義工文化，透過各類型義務工作，貫徹回饋社會的理念，同時希望凝聚團隊、協助同事發展新技能。近月，我們夥拍了不同慈善機構，包括與年度合作伙伴「同行共創」舉辦「小修繕，大意義」，義工在完成培訓後為獨居長者維修家居，改善他們的生活環境，早前亦聯同推廣惜食文化的「食德好」合辦「愛心湯·暖透心」行動，製作湯水並送到長者家中。另外，集團亦支持首屆「喇沙社區服務日」，一同探索九龍城社區歷史文化，並打破可持續發展目標世界紀錄。

The Group actively promotes a culture of compassion and social responsibility, making voluntary work an integral part of our corporate culture. This fosters a sense of solidarity and unlocks the hidden potential within our colleagues. Recently, we collaborated with our annual corporate partner, "Repairs Givers", to visit elderly individuals living alone, and to offer home repair services to improve their living conditions. Additionally, we partnered with "Food Grace", an organization dedicated to reducing food waste. Through our joint efforts, we organized the heartwarming "Hearty Soup Warms The Heart" campaign. Volunteers cooked nutritious soup and delivered it to the homes of the elderly. We also supported the first "La Salle Community Service Day" to explore the history and culture of Kowloon City and break an SDG World Record.
